**CONSTRUCTION UPDATE:**

The Bon Air Bridge Project Team is pleased to announce that Golden State Bridge (Prime Contractor) is on schedule to switch traffic onto the newly constructed Stage 1 (northside) bridge by January 1, 2020!

Please be advised there will be minor travel-way lane adjustments on Bon Air Road to direct traffic on to the new bridge and traffic speeds will remain below 15 mph to help ensure public safety. Pedestrians and bicyclists will also utilize the new northside bridge pedestrian pathway by following the detour signs located at the Bon Air Road mid-block crossing and S. Eliseo/Route 20 cross-walk.

When this major project milestone has been achieved, the work will shift for the next few months to removing the old, existing bridge structure, utility relocations and roadway improvements.

We appreciate your continued patience and cooperation as we continue to make these important improvements.

*\*Please note that all dates are estimated and subject to change.*
