Replacement Project**

PUBLIC NOTICE: DRIVEWAY CLOSURE

PLANNED CLOSURE OF EAST DRIVEWAY FOR 5 BON AIR ROAD

A planned closure of the east driveway that provides access to 5 Bon Air Road will start on Monday, May 4, 2020 and continue through June 12, 2020.

The easternmost driveway to the office building located at 5 Bon Air Road will be closed to all traffic (24/7) from May 4 through June 12, while the second (westerly) driveway on Bon Air Road, as well as the driveway on Magnolia Avenue, will remain open to two-way traffic. Added signage will be in place to guide the public.

This temporary closure will allow construction crews to safely construct the new storm drain pump station. This work requires a significant excavation and de-watering operation adjacent to the East driveway access for 5 Bon Air Road. The closure is necessary to ensure public and traffic safety around the excavation. We hope to have the driveway re-opened sooner if the work progresses ahead of schedule and it is safe to do so.

Know before you go!

- East driveway access to 5 Bon Air Road closed from May 4 through June 12, 2020
- West driveway access to 5 Bon Air Road and Magnolia Avenue will remain open to two-way traffic
- Please refer to the map below for an overview of the closure and suggested detour route.
- We appreciate your patience and cooperation in following all onsite construction signage.
